

# Oolaa

## on a greener path...

Reducing plastic consumption is one of the major challenges of our society in order to preserve our planet.

We at Oolaa and Oolaa Petite wish to take part in this challenge, this won't happen without your help. We believe small changes will make a difference.

Skip the Straw  
- or ask for our Paper Straw

Use our Oolaa coffee flasks  
- Enjoy \$1 discount  
& we will donate \$1 to Ocean Park  
Conservation Foundation HK.

Our take away coffee cups and salad containers are totally biodegradable.

We are aiming to change all our take away packaging to non plastic one.

### NOT SO FUN FACT

Enough plastic is thrown away each year to circle the earth four times.
