— DISCOVERY BAY —

A great way to start or finish any occasion, clean, fresh and delightful you don't even need an occasion...

This dry Rose is a refreshing and crisp pink treat, worry of a table appearance anywhere near the water. Great with fish & seafood or just on its own.

A great well balanced all round wine. A versatile food wine with exceptional drinkability. A great choice with any of the pasta or noodles.

This chardonnays is a spectacular food wine. Soft and refreshing, this wine is a good match with seafood and a creamy risotto... enjoy!

Softer tannins than a Cabernet means that Malbec pairs well with leaner cuts of red meat like the tenderloin. Also think lamb.

Think red meats. Grab a steak, perfect with the rib eye, also cant go wrong with a rack of ribs or pasta

It's a gift to the world. Think tomato based pasta sauce and the king of kings with pizza.
